## Accreditation:

The Accreditation Report was submitted for Board review. (see attached report)

Leann stated she met with staff the past two weeks going over Accreditation Committee Action Requirements (ACAR) due to measures needing further demonstration. The department will have one year (May 24, 2023) to upload items to be considered for Accreditation. Leann expressed her internal goal of uploading all items by the beginning of 2023.

In follow up with May's report of testing various software systems to help improve project management and future PHAB deadlines, Leann recommended the department use Basecamp software. Leann stated she had staff experiment with the software a few weeks ago and staff provided positive feedback.

Adele: How soon after receiving a "not yes" on accreditation would the department start the re-accreditation process? Would the department continue using Basecamp for the re-accreditation process? Leann stated if all documentation is uploaded by the beginning of 2023, PHAB would put the department on schedule for their first quarterly review. If the department would again not meet criteria, Leann would contact PHAB consultant Carrie Thomas for additional guidance. If the department would get accredited during PHAB's first quarter board meeting, the department would proceed forward with the re-accreditation schedule.

Adele asked Garen what the perception of Leann's role from post accreditation to re-accreditation is. Garen stated Leann's role is unanswerable at this time but would be discussed as accreditation is achieved to see what scope and scale her role needs to be.

Jayn asked who would conduct training for Basecamp to ensure the software is used effectively. Garen stated Leann is training staff and Leann plans on hosting an Inservice training or sending helpful videos to all external users.

Melissa Powers motioned to approve the purchase of the Basecamp software annual subscription plan, seconded by Jayn Devney, all voted yes, motion carried. Ayes: All Nays: None

#### Administration Report:

The Administration report was submitted for Board review. (see attached report)

Garen added more context to Senate Bill 338 which is a proposed bill to change the food program survey process. Erika stated she sent in a letter showing support for Senate Bill 338 which would move the food survey process to a test-based approach, as opposed to field surveys, in the situation where a dual survey is indicated.

Garen reminded everyone as of July 1<sup>st</sup>, the board and department staff must comply with Ohio's Open Meetings Act (Ohio Revised Code Section 121.22) which requires that members of a public body be present "in person" to be counted as part of a quorum and to deliberate, discuss or vote on any issue considered at the meeting.

During the Accreditation portion of the board meeting, Garen recommended the board approve the purchase of a yearly Basecamp software license.

Jayn Devney motioned to approve the Administration portion of the Consent Agenda, seconded by Melissa Powers, all voted yes, motion carried. Ayes: All Nays: None

With no further discussion or business brought before the board, Jayn Devney motioned to adjourn at 1:50pm, seconded by Melissa Powers, all voted yes, motion carried.
