Adele asked how often expense allocation adjustments occur. Katie stated it just depends on circumstances, but they approximately occur three to four times a year with the previous adjustment occurring June 16, 2022.

Jayn asked if the department experienced an increase in health insurance cost. Katie stated the health insurance rates remained the same; however, increased staff and the fiscal department not allocating the full amount of health insurance available per the permanent budget caused the need for a \$62,000.00 increase in health insurance.

Jayn Deney motioned to approve the Expense Allocation Adjustments as presented, seconded by Kent Murray, all voted yes, motion carried. Ayes: All Nays: None

Katie informed the board that while working on a report of 2021 Board of Health actions-taken for accreditation purposes, she found the following resolution numbers were duplicated: 2021-114 (three times), 2021-115 (twice) and 2021-116 (twice).

Adele, Jayn and Kent unanimously approved a hyphen system as follows: 2021-114-A; 2021-114-B; 2021-114-C; 2021-115-A; 2021-115-B; 2021-116-B.

The board of health was informed that employee Jade Brown applied for, and will be taking, the Family & Medical Leave Act (FMLA) for a cesarean birth September 23rd. FMLA gives a qualified employee the right to take 12 weeks of unpaid leave in a 12-month period. As of now, Jade plans to be on maternity leave for 8 weeks.

Katie presented a letter (attached to the minutes) to the board. It was written 09/13/2022 to Ms. Lori Adams regarding the purchase of a certified death certificate for Ina Marie Johnson/Marks on 08/12/2022. Ms. Adams had written a starter-check to the department in the amount of \$26.50. The department received a notice from the Harrison County Courthouse stating the check was returned due to Non-Sufficient Funds. The letter notified Ms. Adams that in addition to the \$26.50, the department will also need to collect an additional \$25.00 for the bank fee, total Charge \$51.50 to be paid in cash only.

Garen advised a second letter will be sent to Ms. Adams one month after the first letter. If funds are not received the matter will be handed over to the prosecutor.

Lastly, Katie read a thank you card from the family of Dale R. Norris – the family appreciated the flower arrangement from the Board of Health and all department employees.

With no further discussion, Jayn Devney motioned to approve the Fiscal portion of the consent agenda, seconded by Kent Murray, all voted yes, motion carried. Ayes: All Nays: None

Erika stated the WPCLF program will be on hold while Jade is out on maternity leave. Erika was pleased the department received a bid for Mr. Maxwell's WPCLF project as it consists of a new ATL system the county has never seen. An Advanced Treatment Leach-field (ATL) System is a passive advanced leach-field treatment system designed as an environmentally friendly alternative to traditional stone and pipe drain-fields. The ATL system is a sand-lined treatment and dispersal leach-field system consisting of six components.

Erika updated the board that she completed the Food program cost methodology and sent it to the state for approval. Once approved by the state, the department will mail a letter to all food license holders informing them of a twenty-day notice for the first fees for service reading.

The state approved the recreation program cost methodology for swimming pools, campgrounds, and tattoos. Erika presented the proposed 2023 environmental fee schedule for first reading. Garen and Teresa discussed the beginning of school creating a rise in Covid cases at the end of August. Adele asked if the school is required to report cases to the health department. Teresa stated the school nurses, Holli and Beth, complete the health department's reporting form and fax over student demographics so the health department nurses can input the information into ODRS (Ohio Disease Reporting System).

Garen and board members discussed Ohio House Bill 463 as presented in the consent agenda. Adele asked who will speak against House Bill 463 on behalf of District Advisory Councils. Garen stated the Township Trustee Association, County Commissioner Association, AOHC (Association of Ohio Health Commissioners) and Ohio Public Health Association will most likely speak out against House Bill 463.

Garen advised the department is offering its annual drive through flu shot clinic on Friday, October 7th 9am – 3pm outside the government center. Teresa stated school nurses will be holding a flu shot and Covid19 booster clinic at the school during the same time as the health department's flu clinic.
